Dear Senator Lawrence,

With the recent publicity of a demand for an investigation into the Attorney General's Office and Andrew Ketterer's performance as Attorney General prompts this letter.

I met with you last May 1999 and evidence was presented to you regarding the refusal of Mr. Ketterer to conduct an investigation into criminal activity and his refusal to enforce and uphold the law.

I wrote to you as a licensed Private Investigator and as an elected official to Biddeford's City council, for your assistance in this matter, and have not received a response from you. As Maine's President of the Senate, you have knowledge of cover up by Attorney General Andrew Ketterer and know that a Complaint, filed by me in Superior Court against the Attorney General, was NEVER answered and that Judge McKinley dismissed my case knowing that A.G. Ketterer was in DEFAULT.

It is obvious that you are shielding Mr. Ketterer from investigation and prosecution. With all the complaints against the A.G., it's imperative to bring this matter before the Judiciary Committee, as requested by Rep. Henry Joy. If you intend to continue to cover up for Mr. Ketterer and the the Democratic Party, who's going to cover up for you when the truth comes out while you are running for a seat in Congress?

This letter will serve as notice of your knowledge of the actions within the Attorney General's Office and the job performance of Andrew Ketterer. Before you leave on recess

from this session, I'm asking you to resolve this matter immediately. I may be contacted at (207)283-3130.

Thank you.

Sincerely,

Philip Castora
