TARGETS OF THE ILLUMINATI
AND THE
COMMITTEE OF 300

Extracted from "Conspirators' Hierarchy: The Story of the Committee of 300" by John Coleman
from AmericanPatriotFriendsNetwork Website

1. To establish a One World Government/New World Order with a unified church and monetary system under their direction. The One World Government began to set up its church in the 1920:s and 30:s, for they realized the need for a religious belief inherent in mankind must have an outlet and, therefore, set up a "church" body to channel that belief in the direction they desired.

2. To bring about the utter destruction of all national identity and national pride, which was a primary consideration if the concept of a One World Government was to work.

3. To engineer and bring about the destruction of religion, and more especially, the Christian Religion, with the one exception, their own creation, as mentioned above.

4. To establish the ability to control of each and every person through means of mind control and what Zbignew Brzezinski called techonotronics, which would create human-like robots and a system of terror which would make Felix Dzerzhinski's Red Terror look like children at play.

5. To bring about the end to all industrialization and the production of nuclear generated electric power in what they call "the post-industrial zero-growth society". Excepted are the computer- and service industries. US industries that remain will be exported to countries such as Mexico where abundant slave labor is available. As we saw in 1993, this has become a fact through the passage of the North American Free Trade Agreement, known as NAFTA. Unemployables in the US, in the wake of industrial destruction, will either become opium-heroin and/or cocaine addicts, or become statistics in the elimination of the "excess population" process we know of today as Global 2000 Report.

6. To encourage, and eventually legalize the use of drugs and make pornography an "art-form", which will be widely accepted and, eventually, become quite commonplace.

7. To bring about depopulation of large cities according to the trial run carried out by the Pol Pot regime in Cambodia. It is interesting to note that Pol Pot's genocidal plans were drawn up in the US by one of the Club of Rome's research foundations, and overseen by Thomas Enders, a high-ranking State Department official. It is also interesting that the committee is currently seeking to reinstate the Pol Pot butchers in Cambodia.

8. To suppress all scientific development except for those deemed beneficial by the Illuminati. Especially targeted is nuclear energy for peaceful purposes. Particularly hated are the fusion experiments currently being scorned and ridiculed by the Illuminati and its jackals of the press. Development of the fusion torch would blow the Illuminati's conception of "limited natural resources" right out of the window. A fusion torch, properly used, could create unlimited and as yet untapped natural resources, even from the most ordinary substances. Fusion torch uses are
9. To cause, by means of limited wars in the advanced countries, by means of starvation and
diseases in the Third World countries, the death of three billion people by the year 2050, people
they call "useless eaters". The Committee of 300 (Illuminati) commissioned Cyrus Vance to write
a paper on this subject of how to bring about such genocide. The paper was produced under the
title "Global 2000 Report" and was accepted and approved for action by former President James
Earl Carter, and Edwin Muskie, then Secretary of States, for and on behalf of the US
Government. Under the terms of the Global 2000 Report, the population of the US is to be
reduced by 100 million by the year of 2050.

10. To weaken the moral fiber of the nation and to demoralize workers in the labor class by
creating mass unemployment. As jobs dwindle due to the post industrial zero growth policies
introduced by the Club of Rome, the report envisages demoralized and discouraged workers
resorting to alcohol and drugs. The youth of the land will be encouraged by means of rock music
and drugs to rebel against the status quo, thus undermining and eventually destroying the family
unit. In this regard, the Committee commissioned Tavistock Institute to prepare a blueprint as to
how this could be achieved. Tavistock directed Stanford Research to undertake the work under
the direction of Professor Willis Harmon. This work later became known as the "Aquarian
Conspiracy".

11. To keep people everywhere from deciding their own destinies by means of one created crisis
after another and then "managing" such crises. This will confuse and demoralize the population to
the extent where faced with too many choices, apathy on a massive scale will result. In the case
of the US, an agency for Crisis Management is already in place. It is called the Federal

12. To introduce new cults and continue to boost those already functioning which include rock
music gangsters such as the Rolling Stones (a gangster group much favored by European Black
Nobility), and all of the Tavistock-created rock groups which began with the Beatles.

13. To continue to build up the cult of Christian Fundamentalism begun by the British East India
Company’s servant Darby, which will be misused to strengthen the Zionist State of Israel by
identifying with the Jews through the myth of "God’s chosen people", and by donating very
substantial amounts of money to what they mistakenly believe is a religious cause in the
furtherance of Christianity.

14. To press for the spread of religious cults such as the Moslem Brotherhood, Moslem
Fundamentalism, the Sikhs, and to carry out mind control experiments of the Jim Jones and "Son
of Sam" type. It is worth noting that the late Khomeini was a creation of British Military Intelligence
Div. 6, MI6. This detailed work spelled out the step-by-step process which the US Government
implemented to put Khomeini in power.

15. To export "religious liberation" ideas around the world so as to undermine all existing
religions, but more especially the Christian religion. This began with the "Jesuit Liberation
Theology", that brought an end to the Somoza Family rule in Nicaragua, and which today is
destroying El Salvador, now 25 years into a "civil war". Costa Rica and Honduras are also
embroiled in revolutionary activities, instigated by the Jesuits. One very active entity engaged in
the so-called liberation theology, is the Communist-oriented Mary Knoll Mission. This accounts for
the extensive media attention to the murder of four of Mary Knoll’s so-called nuns in El Salvador a
few years ago. The four nuns were Communist subversive agents and their activities were widely
documented by the Government of El Salvador. The US press and the new media refused to give
any space or coverage to the mass of documentation possessed by the Salvadorian Government,
which proved what the Mary Knoll Mission nuns were doing in the country. Mary Knoll is in service
in many countries, and placed a leading role in bringing Communism to Rhodesia, Moçambique,
Angola and South Africa.

16. To cause a *total collapse of the world's economies* and engender total political chaos.

17. To take control of all foreign and domestic policies of the US.

18. To give the fullest support to supranational institutions such as the United Nations, the International Monetary Fund (IMF), the Bank of International Settlements, the World Court and, as far as possible, make local institutions less effective, by gradually phasing them out or bringing them under the mantle of the UN.

19. To penetrate and subvert all governments, and work from within them to destroy the sovereign integrity of the nations represented by them.

20. To organize a world-wide terrorist apparatus and to negotiate with terrorists whenever terrorist activities take place. It will be recalled that it was **Bettino Craxi**, who persuaded the Italian and US Governments to negotiate with the Red Brigades kidnappers of Prime Minister Moro and General Dozier. As an aside, Dozier was placed under strict orders not to talk what happened to him. Should he ever break that silence, he will no doubt be mad "a horrible example of", in the manner in which **Henry Kissinger** dealt with Aldo Moro, Ali Bhutto and General Zia ul Haq.

21. To take control of education in America with the intent and purpose of utterly and completely destroying it. By 1993, the full force effect of this policy is becoming apparent, and will be even more destructive as primary and secondary schools begin to teach "Outcome Based Education" (OBE).

The Club of Rome - Committee of 300

http://www.bibliotecapleyades.net/sociopolitica/esp_sociopol_clubrome09.htm

---

As I warned about two years ago, there is an underlying agenda of the New World Order to bring about a depopulation of the planet as part of their intent to control and subjugate the planet for their own purposes.

Starting with Zero Population Growth of Paul Ehrlich in the 70's and the "Pharisees" of the Club of Rome, Limits to Growth report, then the Peak Oil Myth based on the ridiculous assumption that petroleum is a fossil fuel, Global Cooling which was switched to Global Warming without anyone paying attention, we now have an outright movement to end the human race to save the planet.
This group was organized in 1968 by the Morgenthau Group for the purpose of accelerating the plans to have the New World Order in place by the year 2000. The Club of Rome developed a plan to divide the world into ten regions or kingdoms.

In 1976, the United States Association of the Club of Rome (USACOR) was formed for the purpose of shutting down the U.S. economy gradually.

The Technotronic Era

Henry Kissinger was then, and still is, an important agent in the service of the Royal Institute for International Affairs, a member of the Club of Rome and the Council on Foreign Relations.

Kissinger’s role in destabilizing the United States by means of three wars, the Middle East, Korea and Vietnam, is well known, as is his role in the Gulf War, in which the U.S. Army acted as mercenaries for the Committee of 300 in bringing Kuwait back under its control and at the same time making an example out of Iraq so that other small nations would not be tempted to work out their own destiny.

The Club of Rome, acting on Committee of 300 orders to eliminate General ul Haq, had no compunction in sacrificing the lives of a number of U.S. servicemen on board the flight, including a U.S. Army Defense Intelligence Agency group headed by Brigadier General Herber Wassom. General ul Haq had been warned by the Turkish Secret Service not to travel by plane, as he was targeted for a mid-air bombing.
With this in mind, ul Haq took the United States team with him as "an insurance policy," as he commented to his inner circle advisors.

Club of Rome and its financiers under the title of the German Marshall Fund were two highly-organized conspiratorial bodies operating under cover of the North Atlantic Treaty Organization (NATO) and that the majority of Club of Rome executives were drawn from NATO. The Club of Rome formulated all of what NATO claimed as its policies and, through the activities of Committee of 300 member Lord Carrington, was able to split NATO into two factions, a political (left wing) power group and its former military alliance.

The Club of Rome is still one of the most important foreign policy arms of the Committee of 300, and the other being the Bilderbergers. It was put together in 1968 from hard-core members of the original Morgenthau group on the basis of a telephone call made by the late Aurello Pecccei for a new and urgent drive to speed up the plans of the One World Government now called the New World Order.

Pecccei’s call was answered by the most subversive "future planners" drawn from the United States, France, Sweden, Britain, Switzerland and Japan that could be mustered.

During the period 1968-1972, The Club of Rome became a cohesive entity of new-science scientists, Globalist, future planners and internationalists of every stripe.

As one delegate put it,
"We became Joseph’s Coat of Many Colors."
Pecccei’s book "Human Quality" formed the basis of the doctrine adopted by NATO’s political wing.

Pecccei headed the Atlantic Institute’s Economic Council for three decades while he was the Chief Executive Officer for Giovanni Agnelli’s Fiat Motor Company. Agnelli, a member of an ancient Italian Black Nobility family of the same name, is one of the most important members of the Committee of 300. He played a leading role in development projects in the Soviet Union.

The Club of Rome is a conspiratorial umbrella organization, a marriage between Anglo-American financiers and the old Black Nobility families of Europe, particularly the so-called "nobility" of London, Venice and Genoa. The key to the successful control of the world is their ability to create and manage savage economic recessions and eventual depressions.

The Committee of 300 looks to social convulsions on a global scale, followed by depressions, as a softening-up technique for bigger things to come, as its principal method of creating masses of people all over the world who will become its "welfare" recipients of the future.

The committee appears to base much of its important decisions affecting mankind on the philosophy of Polish aristocrat, Felix Dzerzhinsky, who regarded mankind as being slightly above the level of cattle.

As a close friend of British intelligence agent Sydney Reilly (Reilly was actually Dzerzhinsky’s controller during the Bolshevik Revolution’s formative years), he often confided in Reilly during his drinking bouts. Dzerzinski was, of course, the beast who ran the Red Terror apparatus.

He once told Reilly, while the two were on a drinking binge, that,
"Man is of no importance. Look at what happens when you starve him. He begins to eat his dead companions to stay alive. Man is only interested in his own survival. That is all that counts. All the Spinoza stuff is a lot of rubbish."

With regard to the Third World, the Club of Rome’s Harland Cleveland prepared a report which was the height of cynicism.

At the time, Cleveland was United States Ambassador to NATO. Essentially, the paper said it would be up to Third World nations to decide among themselves which populations should be eliminated.
As Peccei later wrote (based on the Cleveland Report):
"Damaged by conflicting policies of three major countries and blocs, roughly patched up here and there, the existing international economic order is visibly coming apart at the seams.... The prospect of the necessity of the recourse to triage deciding who must be saved is a very grim one indeed.

But, if lamentably, events should come to such a pass, the right to make such decisions cannot be left to just a few nations because it would lend themselves to ominous power over life of the world’s hungry."
