

**U.S. House of Representatives**  
**Committee on the Judiciary**

Washington, DC 20515-6216  
One Hundred Fifteenth Congress

September 27, 2018

The Honorable Jeff Sessions  
Attorney General  
U.S. Department of Justice  
950 Pennsylvania Ave. NW  
Washington, D.C. 20530

Dear Mr. Sessions,

As you are aware, last fall Chairman Gowdy and I opened an investigation into decisions made and not made by the Department of Justice and the Federal Bureau of Investigation regarding the 2016 presidential election. As part of that investigation, Members and staff of the Judiciary and Oversight and Government Reform Committees have reviewed thousands of documents produced by the Department that are relevant to our investigation. However, we have requested additional documents (listed in the document schedule for the attached subpoena) that the Department has either refused to produce or has continually delayed producing. Review of these documents is essential to our investigation.

Accordingly, given the Department's ongoing delays and/or refusal to produce these documents, I am left with no choice but to issue the enclosed subpoena to compel their production.

Thank you for your prompt attention to this important matter. If any part of the production has been designated as classified pursuant to Executive Order 13526, please contact Committee majority staff so that arrangements may be made to ensure that the documents are handled appropriately within the House.

Sincerely,

Bob Goodlatte  
Chairman

Enclosure
